*An Affiliate of the Accredited Aenon Bible College (P.A.W.) Indiana, IN*

## **Teacher Qualifications and or Requirements**

GCTBI has been approved to teach all of the Aenon accredited courses. All teachers should have a high school diploma or GED. Some college or a degree is helpful but not necessary to teach the Biblical course work. However, a degree or certifications equivalent to a degree will be required to teach any academic courses (math, science etc.) that may be added to the GCTBI course work of study and in conjunction with Aenon's Degree Programs. This will be in keeping with state certifications and facilitate qualifications for GCTBI becoming fully accredited in the future.

Perspective teachers should submit the following documentations to the Dean of GCTBI for consideration and in preparation for being interviewed.

- Resume (*school, home, work, church & community service will be considered*)
- A Current Picture of Yourself (not returnable)
- Copy of High School Diploma
- Copy of any other certifications, degrees etc.
- Pastoral Reference
- Personal Reference (*family member & non-family member*)

*For the Aenon accredited Ministerial Introduction & Ordination Preparation courses, GCTBI reserves the right to require the teachers of these two courses be licensed and ordained with the Pentecostal Assemblies of the World (P.A.W.), a member in good standing.*
